Social skills and competences

Intercultural skills - My job as a teacher and as a researcher has led me working with children and families from different countries and social background, as well as with colleagues from different European cities.

Presentation skills – I have been invited to speak at many national and international conferences; Political and administrative skills – I have been an elected member of the town council of Panicale (PG, Italy) for 5 years and I know quite well how to relate with local administrations and communities in order to seek and set up collaborations and common projects.

Organisational skills and competences

As a scout leader I have organised several residential educational activities including camps and excursions for children and adolescents.

At the University I have been coordinating the practical teachers' training programs for over 400 people all around the Umbria region. As member of the board of director of HOPE (Hospital Organisation of Pedagogues in Europe) I am involved in the managing of this international association. As Director of the Training programs of the Associazione Gioco e Studio in Ospedale I have been organising and sometimes conducting interdisciplinary training courses for teachers, psychologists, educators, volunteers and medical personnel all over Italy.

Computer skills and competences

I am fully competent in all Microsoft Office applications, as well as in the major Macintosh related applications such as Filemaker, Acrobat, Photoshop, Golive, Imovie etc. I have created and administered several websites and have written training modules for courses to be delivered online in Italy.

Driving licence(s)

Full, Italian driving licence for car.
